## DF/02 Non-Organic Livestock Grazing Derogation

### Reason for use:

To apply for grazing non-organic livestock on the registered unit for a **maximum of 120 days**.

### Conditions:

This application must be sent to QWFC **prior to bringing non-organic livestock** on the registered unit. If approved, non-organic livestock may be brought on to the registered holding for a **maximum of 120 days per calendar year** to graze surplus forage.

The livestock must be from an extensive system and must not be stocked so as to **exceed the 170kg of Nitrogen per hectare**.

The livestock must be **easily identifiable** from the organic stock and **not be present** on the same fields.

**QWFC may request further information before a decision can be made**
